## From the Director's Desk:

### Greetings from AE!

We are all very excited to welcome Alisha back from maternity leave. She returned on 1/28/14.

I do want to draw your attention to the new outing list. Many people who attend Tuesdays and Wednesdays were going on outings twice in one month, and not at all the next. To correct this I've re-assigned people starting for the February-March outings. February groups will be Tuesday and Wednesday groups 1, (March, Tuesday and Wednesday, groups 2).

Have a wonderful February and stay warm!

## February Birthstone

### AMETHYST

Researched By:  
Ben Walker

Amethyst, the gemstone believed by ancient Greeks and Romans to ward off the intoxicating powers of Bacchus, also is said to keep the wearer clear-headed and quick-witted. Throughout history, this gemstone has been associated with many myths, legends, religions, and numerous cultures.

English regalia were even decorated with amethysts during the Middle Ages to symbolize royalty. Amethyst is purple quartz, a beautiful blend of violet and red that can be found in every corner of the earth. Historically, the finest amethysts were found in Russia and were featured in much royal European jewelry. Today, while Brazil is the primary source of this gemstone, fine material can be found elsewhere, especially in Zambia.

## February Birth Flower

Researched By:  
Ben Walker

IRIS

VIOLET

February folks actually have a choice of two flowers for their birthday, the iris and the violet. The violet has a charming and long history in mythology. Greek myth states that Zeus fell in love with Io. Zeus was afraid that Hera, his wife, would discover him and Io, so he made Io into a white heifer. Zeus created the sweet scented flower that we know as the violet for Io to eat while she was a heifer. Hera placed an insect pest on Io as the white heifer, so she roamed all over the land trying to free herself from the pest. Zeus finally caught the heifer and put his hand on her, and she turned back into Io. She gave birth to their child, who founded many nations.

Another Greek myth states that Persephone, a young lady, was walking in a field of violets when Hades saw her and fell in love with her. Hades took her to his kingdom of death and the world became barren. Hades allowed Persephone to return in the spring, and the violets returned as well. However, Persephone must go back to Hades at the end of autumn, and world becomes barren until she returns again in spring.

## MY CHRISTMAS

Contributed By  
John Aszmus

Christmas Eve my brother came over and we had cheese enchiladas that my mom made. Christmas day my brother came over and then we opened gifts. We had a good time and watched some football games. I got clothes, a fire police scanner, books, and gift cards. After we unwrapped our gifts, we had a nice prime rib dinner. We went to my mom's side of the family for Christmas on Saturday. We opened gifts there too. It was really nice to see everyone. We don't see them that often.

# The History of Valentine's Day

Researched By  
Alvin Miller

The origins of Valentine's Day trace back to the ancient Roman celebration of Lupercalia. Held on February 15, Lupercalia honored the gods Lupercus and Faunus, as well as the legendary founders of Rome, Romulus and Remus. In addition to a bountiful feast, Lupercalia festivities are purported to have included the pairing of young women and men. Men would draw women's names from a box, and each couple would be paired until next year's celebration.

While this pairing of couples set the tone for today's holiday, it wasn't called "Valentine's Day" until a priest named Valentine came along. Valentine, a romantic at heart, disobeyed Emperor Claudius II's decree that soldiers remain bachelors. Claudius handed down this decree believing that soldiers would be distracted and unable to concentrate on fighting if they were married or engaged. Valentine defied the emperor and secretly performed marriage ceremonies. As a result of his defiance, Valentine was put to death on February 14.

After Valentine's death, he was named a saint. As Christianity spread through Rome, the priests moved Lupercalia from February 15 to February 14 and renamed it St. Valentine's Day to honor Saint Valentine.

## **What's Cupid Got to Do with It?**

According to Roman mythology, Cupid was the son of Venus, the goddess of love and beauty. Cupid was known to cause people to fall in love by shooting them with his magical arrows. But Cupid didn't just cause others to fall in love - he himself fell deeply in love.

As legend has it, Cupid fell in love with a mortal maiden named Psyche. Cupid married Psyche, but Venus, jealous of Psyche's beauty, forbade her daughter-in-law to look at Cupid. Psyche, of course, couldn't resist temptation and sneaked a peek at her handsome husband. As punishment, Venus demanded that she perform three hard tasks, the last of which caused Psyche's death.

Cupid brought Psyche back to life, and the gods, moved by their love, granted Psyche immortality. Cupid thus represents the heart and Psyche, the struggles of the human soul.

## **Fun Facts**

Approximately 1 billion Valentine's Day cards are sent each year. In order of popularity, Valentine's Day cards are given to: teachers, children, mothers, wives, sweethearts, and Koko the gorilla.

The expression "wearing your heart on your sleeve" comes from a Valentine's Day party tradition. Young women would write their names on slips of paper to be drawn by young men. A man would then wear a woman's name on his sleeve to claim her as his valentine.

## LYNCOMING COUNTY

Contributed By  
Justin Fisher

I would like to go to the mountains for a vacation this summer. I usually go with my mom and dad. We have a cabin in Lycoming County. It is about a 4 hour drive from here. I like to go hiking in the woods and hear the birds sing. Sometimes we see deer. I like to take a nap in the cabin and roast marshmallows and sing campfire songs like "The Bear went over the Mountain". I like it when we cook out and eat hotdogs and hamburgers. A vacation in the mountains is very relaxing...

## Buddy

Contributed By  
Jessenia Santana

I have a new dog. His name is Buddy. He is a black dog with big ears and a long tail. He wags his tail and barks a lot. I help give him baths. My dad feeds him. I like to take him outside on a leash. Milo is my sister's dog; he is Buddy's friend. Buddy gets treats when he is a good dog. He sleeps in a dog bed in my mom's room. Buddy begs for food and is happy when he gets his treats. One day a cat scratched Buddy's nose and then the cat ran away.

## Love is Real!

Dan Rogusky

There are some days that you feel,  
That your love life isn't real,  
No matter how hard you try,  
Your heart just can't seem to fly

Till one day you wake and see,  
How great your true love can be,  
How much you could love someone,  
Until your life's truly done.

## For You, Off I-net!

Contributed by  
Jonathan Whitlock

On February 2<sup>nd</sup> of every year comes the milestone holiday we've all come to know as groundhog day. The groundhog's significance is to predict the arrival of spring. On February 2<sup>nd</sup> if the groundhog comes out of its burrow and if it sees its shadow, it means we have 6 more weeks of winter. The first reference to groundhogs day dates back to 1841. The current groundhog's name

is Punxsutawney Phil. German tradition holds that if the sun comes out on Candlemas, the precursor to Groundhog Day, the hedgehog (or badger) will see its shadow and six more weeks of winter will follow. When German settlers came to Pennsylvania they continued this tradition, using groundhogs instead of hedgehogs to predict the weather.

The first official Groundhog Day was celebrated on February 2, 1886 in Punxsutawney, Pennsylvania, with a proclamation in *The Punxsutawney Spirit* by the newspaper's editor, Clymer Freas: "Today is groundhog day and up to the time of going to press the beast has not seen its shadow." The legendary first Groundhog Day trip to Gobbler's Knob was made the following year by a group of spirited groundhog hunters who dubbed themselves "The Punxsutawney Groundhog Club." Clymer, a member of the club, used his editorial clout to proclaim that Phil, the Punxsutawney Groundhog, was the one and only official weather prognosticating groundhog.

Phil's fame began to spread and newspapers from around the world began to report his predictions. Growing legions of fans started making the trek to Punxsutawney every February 2, and with the release of the 1993 movie Groundhog Day, starring Bill Murray, the crowds began to number in the tens of thousands. Phil's yearly Groundhog Day predictions are actually even entered into the Congressional Record!

## "Our new CAT at home"

Contributed by  
Dewey Coplin & his mom

Last year my mom & I got a new cat, (or at least new to us) named "Trinity". A Rag Doll that is almost all white with dark halo spot on his head about a third of its tail. I believe that he is fixed, so guess that we can't get any little kitties. He was born in 2010 we got him on Dec. 29 of last year We don't really know whose

"human" he's going to chose between the 2 of us & we don't think he even knows yet, but we hope he'll chose us both, all other of the cats we had picked one person.

A couple named Pam & Chuck, his previous owners, gave us some food for him, his toys & some litter (We think he will be using the same old litter box that our other cats used).

Trinity has been hiding most of what little time he's been with us, yet I did get a short film with my phone on 12-31-2013. He was just walking about and looking around everywhere. The film is over 6 minutes long. He is just walking around, but I think it's neat.

I haven't seen him use his box yet & I'm not sure if my mom has or not, I don't even think that we've heard him purr yet, so I can't say how soft, or loud his "motor" is yet. We've had some cats that we almost had to put our head gently on them, & some you could here across the ROOM.

He's the perfect pet cat, or we think family member, & we both love him already!

I may have more on him later.

In the movie they get an old car, and they change it to use it in their mission. A bad guy says they need to shut down an area where all the ghosts are kept. When they shut it off, bad stuff happens. Then they clean the building where they work. It's nice inside. The four ghost busters get put in jail. The people they saved thought the Ghost Busters had let the bad ghosts out. There are two copies of the video. I like this movie because I like the theme song.

## BIRDS

Contributed By  
Jennifer Riddel

We picked up my nephew and we went to the lake to walk about 20-30 minutes. We saw all kinds of birds. We saw some dogs. There were two places to sit and a lot of dogs came up with their owners, they were watching the birds. Then we walked back to the car. We stopped when we saw an eagle. My nephew saw a wild cat. It had something in its mouth but we didn't know what it was. It was a very good experience to learn about the animals and where they came from.

## Ally's plan for the New-Year

Contributed By  
Allison Alspach

My goal for the new year, is to exercise more. I'm trying to do more all the time. The physical therapists told me to go up and down stairs, do sit ups, to sit down and stand up from a chair 20 times. There are exercises that are good for hands, like opening you fingers wide and pushing back on the time. I go do these exercises when I got home. Exercising will help me to lose weight and make me feel better and be able to do more around the house. I like to exercise before bed, it helps me sleep better.

# BLACK HISTORY MONTH

## Movie Out:

I went to see the movie frozen. I got some popcorn. It was at Regal. I liked the movie. It was about a girl. She ran away and someone was trying to catch her. I liked the movie. I went with friends. The girl that runs away is a magician. She froze all the people in the village. She was running away from her sister. Her sister caught her. It was a funny movie. I would tell people to see this movie.

# BROADWAY

Contributed by  
Kate Manner

This year at AE we are going to do a Broadway-themed show which means we are going to sing songs from different Broadway musicals. This will give people who are not familiar with musicals exposure to them. I really like Broadway so I'm really excited about it. My favorite Broadway show is "The Sound of Music." These Are a Few of My Favorite Things is my favorite song. We are doing a song from "The Sound of Music," but I don't think it's my favorite one.

## Valentine's Day
