# Groundhog Day

Groundhog Day occurs on February 2<sup>nd</sup> every year. It is celebrated in the United States and Canada. It was originally derived from the Pennsylvania Dutch superstition that if a groundhog emerging from its burrow on this day sees a shadow due to clear weather, it will retreat to its den and winter will continue for six more

weeks. If it does not see its shadow because of cloudiness, spring will arrive early.

Groundhog Day first appeared in the local newspaper in Punxsutawney, PA, in 1886. The following year brought the first official trek to Gobbler's Knob in Punxsutawney to see Phil the groundhog emerge from his burrow. Each year since then, there has been a steady increase in participation of the celebration from people all over the world.

The name "Punxsutawney" derives from a Native name in the Unami language which translates to "town of the sandflies" or "town of the mosquitoes."

There is a popular movie called Groundhog Day which stars Bill Murray. The story is about a cynical TV weatherman who finds himself reliving the same day over and over again when he goes on location to Punxsutawney to film a report about their annual Groundhog Day. His predicament drives him to distraction, until he figures out a way to turn the situation to his advantage.

## FEED THE BIRDS DAY

Feed the Birds Day. Every **February 3** is Feed the Birds Day. This is an important day for the health and survival of your wild backyard birds. The photography class did some bird feeds.

All you will need a few items from around the house:

- 1 Toilet Paper roll
- 1 Jar of Peanut butter
- 1 small bowl
- 1 plate
- A plastic knife
- 2 popsicle sticks
- birdseed.

Pictures by Shaun

Once you have all of your items together, start by putting the peanut butter in the small bowl. Using the plastic knife, spread the peanut butter onto the toilet paper roll. Be sure to check that the peanut butter isn't gobbled onto the roll because it will drip off in the heat. You want a nice layer of peanut butter smoothed out over the toilet roll. Finally, spread some birdseed onto the plate. Take the toilet paper roll covered in peanut butter and roll it on the plate attaching the birdseed to the roll.

After that, take your new bird feeder outside, slide it onto a branch, and your tree is now the place to be for hungry birds!

# NATIONAL PIE DAY

National Pie Day is observed January 23<sup>rd</sup>. This year AE celebrated by holding its first annual pie contest. We got to taste Chocolate Mint Ice Cream Pie, Nutella Cream Cheese Pie, Cherry Pie and Dutch Pear Pie. The participants voted the Mint as their favorite. Three staff judges voted the Nutella the winner. We all enjoyed tasting the pies. We are already looking forward to next year's National Pie Day!

# PRESIDENTS DAY

Presidents Day is an American holiday celebrated on the third Monday in February; Presidents Day 2019 occurs on Monday, February 18. Originally established in 1885 in recognition of President George Washington, the holiday became popularly known as Presidents Day after it was moved as part of 1971's Uniform Monday Holiday Act, an attempt to create more three-day weekends for the nation's workers. While several states still have individual holidays honoring the

birthdays of Washington, Abraham Lincoln and other figures, Presidents Day is now popularly viewed as a day to celebrate all U.S. presidents, past and present.

## Washington's Birthday

The story of Presidents Day date begins in 1800. Following the death of George Washington in 1799, his February 22 birthday became a perennial day of remembrance.

# WINTER

The weather in February tends to be cold, snowy, icy, wet and often unpredictable. We have gotten snowstorms, ice storms, rain or a mix of the three, as well as frigid temperatures.

Some things we like to do in cold, snowy weather:

Brittany: Drink hot chocolate, watch movies and hang out. I like to play in the snow.

Jonathan W.: Close the windows and turn the heat on. Curl up by the fireplace with hot chocolate.

Derek: Drink hot tea, coffee, cocoa, or mocha. It's warm in my bed. I like to close my blinds or take a hot shower.

MJ: Relax and don't hear the phone ring.

Jay: Stay home and stay inside.

Robert P.: Stay home, stay inside, and stay warm. Spend time with my friend George.

Victor: Stay in bed.

Gretchen: Just relax and stay home.

Jon R.: Stay home.

# THE METEOROLOGY CHRISTINE FERREIRA

We had the privilege to invite Christine Ferreira back to Adult Enrichment. We talked about all the severe rain and flooding we have gotten over this past year. Weather is very interesting in many ways. It helps us to dress, bring an Umbrella or just have a snow day. What ever the Weather will be. We would like to thank Christine and Channel 8 News for giving us the heads up.

## History and Information About Valentine's Day

Picture by Shaun

Valentine's Day occurs on February 14<sup>th</sup> annually. Valentine's Day originated as a Western Christian feast day honoring one or two early saints named Valentinus and is also called Saint Valentine's Day or the Feast of Saint Valentine. Valentine's Day is recognized as an important cultural, religious, and commercial celebration of romance and romantic love in many regions around the world. It first became associated with romantic love within the circle of Geoffrey Chaucer, a 14<sup>th</sup> century English poet and author, when the tradition of courtly love became popular. In 18<sup>th</sup> century England, people began to express love for each other on Valentine's Day by presenting flowers, giving each other sweets, and sending greeting cards known as valentines. Some

Valentine's Day symbols that are used today include hearts, doves, and the figure of Cupid.

### Who is Cupid?

Cupid is a mythical winged character who carries a bow and arrow and is considered to have the power to cause people to become attracted to one another. He shoots people with arrows, and whoever gets shot with an arrow is considered to be in love.

### What do people like to do on Valentine's Day?

**Victor:** Go out to eat.

**Derek:** Give flowers and rings to each other. They give each other candy, chocolate, and other gifts.

**Mary Jane:** Give each other a kiss on the cheek. Some people get engaged.

**Gretchen:** People can give cards to their friends and roommates.

### Some Facts About Valentine's Day Today:

U.S. consumers are expected to spend an average of \$143.56 on Valentine's in 2019. Total spending in the U.S. is expected to reach \$19.6 billion. The average cost per couple for an evening out on Valentine's Day is currently \$170.53. Men spent almost twice as much as women did on Valentine's Day in 2017. 9 million marriage proposals also take place on Valentine's Day.

# SUPER BOWL LIII 2019

This year's Super Bowl game will take place on Sunday, February 3<sup>rd</sup> at

6:30 pm. This is the 53<sup>rd</sup> Super Bowl game to be played. The Los Angeles Rams and New England Patriots will be playing at the Mercedes-Benz Stadium in Los Angeles. The halftime show will be performed by musical artists Maroon 5, Big Boi, and Travis Scott. After taking a vote, we think that the New England Patriots will win the Super Bowl. However, Jonathan W. says he thinks the game will end in a draw. A suggestion from the Newsletter class: We advise you not to drink or eat too much while watching the game because most people need to get up and go to work or school the following Monday morning. Some kinds of foods that we think would be good to eat while watching the Super Bowl: Soup, chocolate peanut butter cake, corn dogs, rice krispie treats, hot tamales, hot ham and cheese sandwiches.

# SEND A CARD TO A FRIEND DAY

National Send a Card To a Friend Day takes place on Thursday, February 7<sup>th</sup>, 2019. Gretchen and some others participated in making cards for Send a Card to a Friend Day during our Photography class this month. Gretchen decorated her card with pictures that she cut out from magazines, and she gave her card to her roommate, Kathy. This is a great day to send a card to a special friend and let them know you're thinking of them.
