SUMMER FRUIT

Picture by June

One of the highlights of summer is enjoying the fresh fruits that are in season.

Some of our participant's favorite berries are: Strawberries, Pineapple, Blueberries and Boysenberries. Juicy melons like Watermelon, honeydew and Cantaloupe are refreshing. You can head to your local fruit farm and pick your own Peaches, Cherries, Apricots, Plums or Pears. Some people have their own Grapevines growing in their yard.

Jon W. – A long time ago I went to an orchard with Acadia. We were able to pick fruit till our hearts' content. Then we bought them. We picked pears, apples and more apples.

Jon R. – I made orange juice with my Dad. We squeezed the oranges.

Jon W. – My family melted a pot of chocolate, then dipped fresh fruit in it: Apples, bananas, strawberries.

MJ – I made Rhubarb Strawberry pie.

Jamie – I like watermelon, but they are messy. My mom used to make fresh fruit salad.

Joey - My mom makes Apple Crumb pie from scratch.

My Favorite Vacation

Jon W. – When I was 18, I flew to Alabama to visit my uncle. It was the first time I flew on a plane. We wrote songs, played the guitar and recorded music a lot.

Kathy S. – I went to Myrtle Beach with my family. We camped in a cabin. We walked to the beach and enjoyed the sand, the ocean and the boardwalk. We did a lot of camping when I was young.

Jon R. – I went to Florida with my Dad. We went to the beach.

MJ – My Dad has a camper in the mountain. My aunt and uncle live up top, above my Dad's camper. We enjoy visiting. I saw frogs in the tree. It rains up there.

Rosie – I went with my Mom and Dad to Minnesota one time and saw where Little House on the Prairie was filmed.

Gretchen – I had a sleepover at my Aunts house. We went shopping and went out to eat.

Jayann – We flew to Florida and my Mom took my Aunt and Uncle's video camera. We went to Disney with Make a Wish. We got Disney Characters' autographs. We had a pizza. We went to King Henry's Feast.

Susie – I remember when I graduated from High School we went to the Grand Canyon, the Colorado River and Pikes Peak. My Dad took quite a few pictures. We still have them in our photo album.

Chrissy – In the summertime I go to Beacon Lodge. I swim, do arts and crafts, go hiking, bowling and sing around the campfire.

Trista – I got to ride in an airplane to go to Disney World for my high school trip. I went on the Tower of Terror. And I got to see Indiana Jones.

Jamie – Me, my Mom and my sister went down south, to a place called Wateree. It had a lake and a cabin. My Dad played 'Jason'. He wore an aluminum foil hockey mask. And he scared my sister, even though she knew it was my Dad. We went barefoot.

Joey – I remember one time I was at the beach. My mother told me to stay close to where we sat. The current took me farther north. When I came out of the water, I couldn't find our spot. I looked around for something familiar. Then I found my way back. I had fun, though.

Harry Potter

In book club we've been reading Harry Potter and the Sorcerers Stone. Harry didn't always know he was a wizard. He doesn't have a clue who his family is or where he came from. (though, he does find out in the beginning) He gets a letter from Hogwarts, the magical school for witches and wizards, and it informs him that he's been accepted. He goes to Hogwarts, however there are a lot of obstacles that prevent him from starting smoothly. At school he gets sorted into a House by a talking hat, he starts to play Quidditch (a wizards game similar to soccer, but in the air) as the youngest player in more than a century for his team, and he battles a troll. You have to read the book to find out what happens. The book is very thrilling! It will keep you in suspense.

The fans of J. K. Rowling's saga about the world of wizards annually celebrate **Harry Potter's Birthday** on July 31. According to the story, invented by Rowling, the boy who lived was born on this day in 1980. Harry James Potter was born on July 31, 1980 in the family of James and Lily Potter. Three months later, his parents were killed by Lord Voldemort. Harry was left in his aunt's family, where he was

growing as an ordinary boy.

Harry met a half-giant Hagrid on July 31, 1991, on Harry's eleventh birthday, the latter brought him a letter from Hogwarts. And the further story is known to everyone.

A series of books about Harry Potter is one of the most famous contemporary bestsellers. Stories about the adventures of a young wizard are loved both by children and adults. Many admirers of Rowling's work celebrate Harry Potter's Birthday.

FRIDAY THE 13TH

Many people expect bad things to happen when the 13th of the month falls on a Friday.

The fear of Friday the 13th is known as **paraskevidekatriaphobia**. As with superstitions, this fear is not based on logic. It has a lot to do with people's experience. Some learn from a young age that Friday the 13th is supposed to be unlucky. So they look for evidence to back up their belief. Bad and good things are happening all the time. If someone is looking for bad luck on Friday the 13th, they will probably find it.

Impressions:

Victor – Freddie Kruger, he is a scary monster. And he has a glove on one hand with razor blades on each finger.

MJ – Nightmares

Kathy S. – Horror films

Rosie – Scared

Jamie – Bad things happen. I celebrate it by watching the Friday the 13th movies.

NATIONAL PIÑA COLADA DAY

National Piña Colada Day is observed annually on July 10th. The Piña Colada is a sweet, rum-based cocktail. Along with rum, a Piña Colada includes cream of coconut and pineapple juice and is usually served blended or shaken with ice. Pina Colada means 'strained pineapple,' a reference to the freshly pressed and strained pineapple juice used in the drink. There are different claims to the invention of the Piña Colada beginning in 1952 in San Juan, each sticking to their story. The truth is that pineapple and rum have been together from the beginning of the distillation of rum. The first written reference to a Piña Colada was in 1922. This recipe, however, did not include coconut.

HOW TO OBSERVE

On National Piña Colada Day, you do not have to be sitting on a beach or the deck of a cruise ship. You can enjoy a nice tall, cool Piña Colada where ever you are! **(Remember to drink responsibly and never drink and drive!)** Use #NationalPinaColadaDay to share on social media.

Main alcohol: [Light rum](#)

Ingredients: 3oz (3 parts) Pineapple juice, 1oz (one part) White rum, 1oz (one part) Coconut cream

Preparation: Mix with crushed ice until smooth. Pour into chilled glass, garnish and serve.

WEAR HAT

QUESTION- WHY WOULD YOU WEAR A HAT? Rosie said to keep the sun off and to stay cool. You can wear a hat just for Fashion. You can wear a hat while gardening. You can wear a hat while lounging at the Beach .You can wear a hat when going for a walk. Also, avoid being **outside** in the hours just before and just after noon. **Wearing** a wide-brimmed **hat outdoors** is great way to protect your hair, eyes, and skin from the sun's ultraviolet (UV) rays.

... **Wearing a hat** with protective sunglasses **can** keep **you** from squinting and help prevent wrinkles around your eyes.

Sun Care

Proper sun care is essential because of wrinkles and dangers like melanoma. Experts estimate that more than 90 percent of skin cancers stem from overexposure to tanning beds and the sun's ultraviolet radiation. Wear protective clothing and sunscreen outdoors, especially between 10 a.m. and 4 p.m., when the sun's rays are strongest. Choose a sunscreen that protects against both UVA and UVB rays with an SPF of 15 or higher. Apply about 15 to 30 minutes before going outside, then reapply every two hours.

STRAWBERRY SHORTCAKE

During Independent Living Skills class once a month we make a simple healthy snack. In recent months one of the recipes was for strawberry shortcake. Besides succulent fresh, ripe strawberries, the key to a great strawberry shortcake lies in the quality of the biscuit. And this one is top-notch. These tender, sweet buttermilk biscuits are made with a blend of

cake flour and whole-wheat flour and lightened by substituting reduced-fat cream cheese for some of the butter. As a delicately tangy alternative to whipped cream, we use a blend of cream and reduced-fat sour cream. This is the way to make it from scratch, but we used strawberries, yogurt, whipped cream and store brought dessert cakes.
