Star Wars Day is May 4, 2019. Some of the famous characters from the movies are Darth Vader, Princess Leia, Yoda, Chewbacca, Luke Skywalker, Kylo Ren, Han Solo, C3P0, R2D2, and Rey. The characters use light sabers to fight off people. It was originally a trilogy. But since then, there are nine movies in the series.

In order to celebrate Star Wars Day, people dress up as characters. They pretend to fight with light sabers. They also watch the movies. So far, the franchise has made \$4 billion. That's a lot of money!

In the movies, Darth Vader is the bad guy. He tries to catch Luke Skywalker so that he can get the power Luke has. In a bizarre twist, Darth Vader ends up being Luke's and Princess Leia's father. Throughout the movies, the Jedi characters try to fight off the evil forces.

Our favorite characters from Star Wars are as follows:

**Jacob:** Yoda

**Jon W:** Yoda

**Christina:** Darth Vader

**MJ:** I don't watch the movies, so I don't have one.

**Derek:** Chewbacca

**Kathy:** Han Solo

**Gretchen:** Luke Skywalker and Princess Leia

**Victor:** Chewbacca

## Memorial Day

Memorial Day occurs on May 27, 2019. It is an American holiday that celebrates people who have served in the military. In May 1868, General John A. Logan, who served in the Civil War, issued a decree that May 30<sup>th</sup> should become a nationwide day of commemoration for the soldiers who had been killed in the Civil War. It became an official holiday in 1971. Memorial Day is frequently celebrated with picnics, cook-outs, and family get-togethers.

War movies:

Schindler's List

Forrest Gump

Pearl Harbor

Gettysburg

North and South

## National Paper Airplane Day

Get ready to leave on a jet plane on May 26, 2019! John Denver sings a famous song about leaving on a jet plane. What we like about making paper airplanes include a cure for boredom, they're relatively easy to make, and they're fun! The distance record (226 feet, 10 inches) was set by Joe Ayoob, with a plane constructed by John Collins, in February

2012 In Photography class, we flew paper airplanes as part of a contest. We threw them outside in the lawn for the contest. We also made some paper Airplanes in class.

Unfortunately, we weren't able to participate in this great holiday while we were in school. But we are glad we did it here at program! To celebrate national paperwork day, we should help others make paper airplanes and then let them fly in the air.

We should also throw them up in the air!

## CINCO DE MAYO

Picture by Chris

Cinco de Mayo is celebrated each year on the fifth of May. It celebrates the independence that the Mexicans won over the French in the Battle of Puebla. The Mexicans celebrate by shaking pinatas, having fiestas, putting on firework displays, and listening to Spanish music. We listened to some Mexican music, and it seems to have a lot of good beats!

## National Fruit Cocktail Day

National fruit cocktail day is May 13, 2019. They could be considered very healthy since we are supposed to eat a lot of fruit. You can make fruit cocktails with a lot of different types of fruit.

Winter fruits that are in season: lemons and oranges. Spring fruits that are in season: apricots, mangos, and strawberries. Summer fruits that are in season: peaches, nectarines, plums, and raspberries. Fall fruit that are in season: apples, cranberries, and pears.

If we were to make a fruit cocktail, we would put the following fruits in:

**Kathy:** strawberries

**Derek:** watermelon and kiwi

**MJ:** cherries

**Christina:** oranges

**Jon W:** mango

**Jacob:** apples

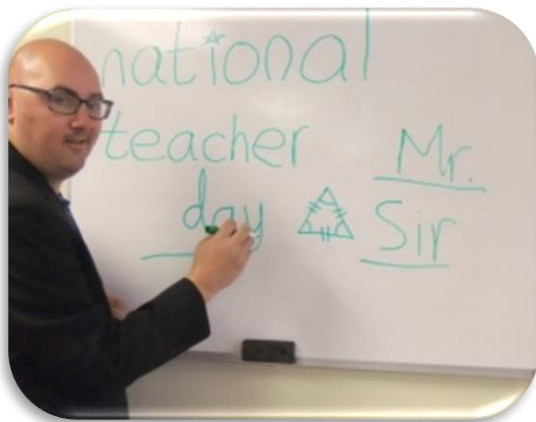

**Victor:** bananas

**Gretchen:** apples

## NATIONAL TEACHER DAY

National Teacher Day is May 7, 2019. It has been celebrated since 1953, when Eleanor Roosevelt persuaded Congress to name a National Teacher Day.

### How do we like to learn?

We like to watch movies, make things, and see demonstrations.

In 1944, Mattye Whyte Woodridge met with Eleanor Roosevelt to form the first National Teacher Day in 1953.

Some of our favorite teachers:

**Jamie** – I liked my 7<sup>th</sup> grade teacher, Ms. Lyle. She was very nice.

**MJ** – I liked Mrs. Walker. She was a fun and nice teacher.

**Kathy S.** - I liked Mrs. White. She taught us math and reading. She was very nice and she explained things well.

**Jon W.**- I was my favorite teacher (I was homeschooled and self-taught). I spent a lot of time at the library learning from books.

**Gretchen** – I like Keisha. She's funny.

**Victor** – I liked Beth as a teacher. My favorite class was Creative Expressions.

## Mother's Day

Mother's Day is May 12, 2019.

How do we celebrate Mother's Day?

Victor – give her flowers

Kathy S - Take your mother out for lunch. My brother would give her flowers.

Jon W. - Give your mother breakfast in bed

Jamie – Take her to Park City Diner and make her a card.

Derek – Give her a pencil with flowers on it.

Gretchen – take care of her and pamper her.

The American incarnation of Mother's Day was created by Anna Jarvis in 1908 and became an official U.S. holiday in 1914.
